Summer is coming, we can smell it through the open windows in the office, but the girls in this month's issue have never really taken much notice of the weather, they've always been more than happy to get their kit off no matter what the temperature is outside! When this happens we always try and be at hand with a camera to capture the moment their panties fall, and we've got some real crackers inside this issue of Club International! From cover girl Mia Malkova to Club favourites Dani Maye and Scarlett Jones, along with a few others, we've got all of the bases covered, so without further ado we're going to leave you to it...

off for a coffee together. She seemed really nice, interesting and intelligent, but to be honest, the last thing I was thinking about was trying to get her into bed. Jeni seemed far too sophisticated for that. After about half an hour of chat, I said I'd best get going and was quite surprised when she asked me if I fancied walking her home; it was only 10 minutes away. I still wasn't thinking anything of it when we got back to her

“I was pumping hot jizz out of my cock and straight into her mouth.”

Dear The Lounge, Spunk. The Final Frontier. It's always one of the things I love best when I first get together with a girl; finding out whether she's a swallower, a spitter or (God forbid) one of those weird creatures who doesn't want man mush anywhere near her. Well, the last option isn't so much fun, but you know what I mean...

My latest conquest, Jeni, looked for all the world like she'd run a million miles from a jizz attack. I met her queuing up to buy a ticket for the theatre (yes, I have my artistic moments) and she looked very sensible and studious, with her short-cropped, dark hair and thick-rimmed specs. We got talking, and within a few minutes, we were

flat and Jeni opened the door, then quickly shut it behind the two of us. I have to say, though, she did take me by surprise when she suddenly kissed me full on the lips – and whipped my cock straight out of my flies and started jerking me off. Just like that. She was good at it too. The expert rhythm of her hand was making my spunk rise at a rate of knots. I was going to come, and I'd barely made it across the welcome mat! I pulled Jeni's hand away from my throbbing tool and made for the bedroom, tugging at her clothes on the way. Once I'd got her undressed, I suddenly realised what an amazing body she had. Not that Jeni was going to let me get a hold of it straight away. She was clearly a cock-hungry bitch and had me down on the bed in a second so that she could take my dick deep into her mouth and start giving me top quality head.

Very nice it was too – and of course, now I was starting to wonder whether she really would be a swallower or a spitter. I'd kind of worked out that the last option wasn't going to be a part of the deal with her, thank God. Mind you, I didn't have to wonder for too much longer. Just a few more strokes and I was pumping hot jizz out of my cock straight into her mouth. Bingo! Jeni was obviously well happy to take a whole load right down the back of her throat. I don't think I've ever seen a girl drink down a cockful of spunk with quite so much relish as her – and the more she swallowed, the hornier I found it, and the more I pumped out. What a girl! I'm still seeing Jeni, because she's such a fun and horny girl. Who knows? It might

mean I never get the chance to check out any more girls for their spitting or swallowing preferences. But maybe that's just because I've found the Queen Of Cum. Aren't I Lucky?
Dave, Lincoln

Dear The Lounge,
Having just moved into my new home I was at the local newsagents scanning through the latest porn mags when I noticed the latest edition of Club. A loaf of bread, carton of semi-skimmed and Club in one hand, I approached the counter when I was tapped on the shoulder. I turned round to see a tall blonde lady. She was in her late 30's and didn't look familiar. "Hi, I'm Janet," she said seductively. "you've just moved into 26, haven't you?"
"Errr, yeah," I replied..... "I'm Jay."
I quickly packed my bits into the bag, trying desperately to hide my magazine.
"I live at 34. Would you like a cuppa tea?" Quite shocked, I quickly agreed.
I waited for Janet, and we walked to her house, chatting on the way. "Make yourself at home," she said as she disappeared into the kitchen. "Jay!" came a call from the kitchen. I approached the kitchen and entered to find Janet completely naked leaning over the worktop. "Go fetch that copy of Club!"

Feeling slightly embarrassed that she had noticed but so horny, I fumbled round in the bag and took my mag out. She turned to take the magazine from me and started thumbing through the pages. "What you waiting for?" she said. "Lick my pussy!" I got down on all fours and lapped at her pussy while she rubbed her clit with one hand and flicked through Club with the other.
I soon brought her to orgasm, and then she ordered me to push my cock up her arse! This is something my ex wouldn't allow, and I couldn't believe my luck. I parted her arse cheeks and sunk my cock as deep as I could pumping in and out of her hot backside. It didn't take long before I wanted to blow my load and as my cock began to twitch she pulled my cock out of her ass and rammed it deep between her ruby red lips till I spilt my mess down her throat. "Mmmmm..." she moaned as my jizz started to spill out of her lips.
Janet cleared herself up, and we had a

cuppa before moving up to the bedroom for more fucking and sucking. Before I left Janet asked me to keep our details of our mucky antics between ourselves on the promise that if I did, I was welcome to come over for a cuppa ANYTIME! I just hope she doesn't buy this issue!
Since that day we have spent many an afternoon together, and I must admit I'm addicted to fucking her sweet arse!
Jay, Herts.

OK, we'll hold our hands up – the time that's lapsed since we last featured Beth here is quite simply inexcusable - and now we've seen her all dolled-up in those hold-ups we're kicking ourselves harder than any of you lot could. We could make some sort of comment about girls this hot being worth waiting for, but then you could say that about every girl we feature, and we try and get them in a bit more frequently! Anyway, here she is – at long last!

Porn stars don't get much hotter than the delightful Mia Malkova. And the best thing about her is that she's re-paid her faithful fans with a molding of her pussy that you can purchase from any good online adult store, if you're that way inclined. And we're not. Because as much as we'd love to try out the contours of Mia's pussy (we're pretty sure we won't get to do it in real life, sadly...) for us, she's a burn girl. Now, if someone somewhere is making a plastic replica of her world beating arse, in all its magnificence, then we'll be first in line. And then we'd probably never, ever leave our office again...

HT-G700 Soundbar

www.sony.co.uk

If your household is anything like mine, we've been hooked to our TV screens of late, and with precious little else to do, I haven't overly minded. But, it did get me to thinking that the sound quality I've been used too, isn't quite up to snuff. So many hours of research and email pings later, and before me sits a Sony HT-G700 Soundbar at a bargain busting price, and it doesn't disappoint. With a stonking subwoofer, it throws forth sound with the convection of Dolby Atmos, and DTS:X from its powerful 400w speaker arrangement. Turning the most unassuming episode of Bargain Hunt into a dramatic, action-packed spectacle of sound, and all for under £300, now that's a real deal!

Craving escapism? Well, we can't blame you after having been cooped up like a hamster for most of 2020, with no end in sight. So what's been happening in the world of VR recently? Well, Oculus has certainly blown the market open with their stunning Quest 2 VR headset, boasting cinematic sound, headset casting so you can meet friends, games library, PC connectivity, and battery-powered so can be used as a stand-alone headset. The only downside is it requires Facebook account linking, but setting that aside, with more RAM and top-notch chip specs and a 50% improvement in resolution Quest 2 is packing a big tech punch for a very reasonable price. Naturally, it's making quite a name for itself, and

skipping rope and numerical counting in your head? This is what, the Stryd Power Meter! Any runners out there that have felt left behind in the measurement stakes compared with cycling? Well, your time has come. This small but mighty gadget takes into account humidity, wind speed, and temperature to offer accurate readings, which are all fed back to the accompanying app to give you instant readings, so you can pace yourself better, fix poor running and really see where all that energy is going. Just simply hook it onto the front of your laces, and away you go.

Lady Dee: Sex Addict

Nativity Films

Starring: Lady Dee, Tina Kay, Cassie Del Isla and Barbie Sins.

Synopsis: Stunning "Lady Dee allows you to take a glimpse into her alluring and sexually charged

life in this unforgettable tale of lust; directed by Jake Hunter. Hardcore DP, ass stretching anal and mouth-watering lesbian threesomes! Are you ready to see what Lady loves to do best? This is a true sex addict!"

Verdict: Lady Dee seems to have passed me by a little – I'm mean I must have seen the faintly oriental looking Czech hottie before, but I hadn't clocked her enough to make me think she merited a Harmony title all of her own. Still, I'm always willing to give a cock-mad young flammer the benefit of the doubt, and Lady Dee certainly shows plenty of promise as she slinks across to

a pair of studs in the first scene and whips their pricks out for a nosh. They soon head indoors for a nice spit-roasting, although she's clearly no deep-throat merchant. Still, she's got other strings to her bow, because after a bit she goes for a DP upgrade, the lads pumping her fore and aft in both reverse cowgirl and standard doggy position before they finally slather her face and fanny in nut-butter. And then it's onto a three girler with

Tina and Cassie, with loads of fingering and slurping before we back to boy-girl territory with a squeaky-bedded vaginal bunk-up. Big boobed Barbie then chips in with a threesome scene before the Lady herself grapples one final cock in the closer. Plenty of no-nonsense action here, although what is it with directors putting the most robust scene first these days? Surely it should go last!

My Girlfriend

Viv Thomas

Starring: Penelope Cum, Caomei Bela, Katrina Moreno, Daniela DaDivoso, Apolonia.

Synopsis: "Come and join Caomei Bala on an erotic journey of her most memorable trysts. She is the perfect boyfriend for these ladies, and you can tell with all the moans of pleasure coming from the bedroom. These lovers will always remember the orgasmic bliss from these romantic rendezvous."

Courtesy of Viv Thomas

Verdict: Wondering what a 'Boifriend' is? I've done a bit of research and discovered that in LBGQ circles a boi can mean, well, more or less anything, from a butch, submissive lesbian to a young trans man.

There, that's the lesson for today, although I don't think there are any trans people in this flick, nor anyone who's particularly butch. Still, the star of the show, who features in all four scenes, is Caomei who looks ready to steam up the lens. She teams up with Apolonia first and is soon having her pussy licked out by the long-haired lovely. The tables are soon turned before the girls whip out their magic wand, which is no doubt lots

of fun for them. Katrina's next up, in what turns out to be a far more satisfactory scene, the girls doing plenty of licking and boob play. Randy Caomei works her way through Penelope and Daniela in similar style in this nicely shot, no frills lesbo title.

Scarlett doesn't hold back and she couldn't help but jump in and tell us what makes her cum! "Just push a nice big cock into my pussy and then fuck me slowly for ages, while kissing and sucking

my nipples. That's guaranteed to make me cum and cum. I'm lucky because I can have multiple orgasms, which scares some of the fellas I've been with." Why on earth do they get scared? "Because my whole

body starts shaking and I start yelling out really loudly! I remember one guy I slept with. I was bouncing up and down on his dick, and it kind of came over me in a rush. The poor guy thought I was having a heart attack!"

Talkin' Blue

SHE'S GOTTA HAVE IT

I'm in my early thirties and work in the city with a firm of advertising consultants. About a year ago a new girl joined the firm. She was in her twenties and had the irresistible combination of innocent sweetness and lots of shyness. She was impossibly pretty too with long blonde hair and the fresh face of an 18-year-old. It soon became apparent that she led a very sheltered life with her equally prudish boyfriend.

We became friendly as her shyness would allow and occasionally I would light-heartedly make a pass at her. She was always so embarrassed to the point that I felt quite sorry for her. There was obviously nothing going on in her sex life, and her beauty, innocence and shyness made her the most irresistible fantasy conquest. The months went by and nothing possibly could happen. I spent so many nights wanking myself to sleep thinking what it would be like to fuck her lovely brains out!!

One morning she came into the office very upset. At first she didn't let on but soon it was obvious she had split with her boyfriend. I had met him once and he was a self-righteous little twerp. After a week of her looking forlorn I asked her if she wanted to talk about it and she looked relieved.

We went to a wine bar and she began to pour out her woes. She had been with him for seven years and he had finally decided they should not marry so they split up. She was very upset; "I've been so faithful to him, it's so unfair. I've wasted so much of my life, I feel so frustrated." I took my chance;

"Sexually frustrated?" She went crimson, but on this occasion she managed to smile and blurt out "Yes, I'm 23 and have never done anything like that before at all. I so badly want a man to do it to me!"

This time I blushed, it had been some months since I had sex, looking up at her with big doe eyes. I said,

"Well I could help you with that if you will let me." She looked terrified but within minutes we were on our way to my flat.

She said in a very quite voice full of temptation, "Could you take your trousers off - I really need to see your... thing." My thing was more engorged and erect than I could ever remember. I was more than happy to oblige and quickly took off all my clothes her sweet, innocent face looked just terrified as she stared at my cock. She gingerly reached and without hesitating touched my shaft and

pulled back my foreskin. I felt dizzy and flushed as she gently lent forward and licked and kissed the glans of my penis. It was like a tickle from a feather and just felt heavenly. She looked angelic, sitting there with all her clothes on while I was naked "I've got to have you inside me!"

She took off her skirt revealing her tiny white panties, hugging her wet bush and barley covering it. She knelt before me and pushed her little bottom high in the air in front of me. She couldn't remove her cotton panties but instead pushed the gusset aside just enough to reveal her tight little cunt and arsehole! "Please don't make me take my panties off, just fill me up!!"

It was just the most glorious sight, my fantasy come true. Seeing this most gorgeous

girl kneeling in front of me with her bare bottom in the air and waiting for me to take her. My head was pounding like a drill as I pushed a finger deep into her. Her panties were soaking wet with pussy juice, and I leant forward and started to lick around her hole. She was moaning wildly as I dipped my tongue deep inside her, almost intoxicated by the heat and smell of her pussy.

"Oh please, please just give it to me, I beg you, ram it up me!" Without further ado I eased my cock into her hole and rubbed by bell against it. She furiously wiggled her bottom trying to get me inside her, but I was in no hurry. "Oh please, just do it!"

When I could hold out no more I plunged my aching cock inside her right to the hilt. She was so tight! I pulled out and rammed home again and again, her whole body convulsed furiously. I took great pleasure

looking down and seeing my cock sliding in and out of her. She was urgently frigging her clit, and as her excitement mounted it urged me to ram her harder and harder. Her whole body shuddered as an orgasm tore through her and molten lava seemed to pour out of her pussy hole. "Cum inside me please!" she screamed. I didn't want to, though – I wanted to paint my seed all over her pretty innocent little face, as I came to the boil I pulled out of her and kneeling over her thrust my bursting knob in her face. I exploded, it was heavenly to spill what felt like gallons of thick juice over the face of this fresh lovely young virgin.

She was overwhelmed by this and as she lay spread legged, panting uncontrollably, I slowly massaged my hot liquid in to her young fresh skin. She lay motionless, eyes shut and still moaning for breath, and I gently caressed her hot labia through her wet

"His balls slapped heavily against my cunt lips, and I heard him panting"

panties. As I encountered no resistance I moved down her body and pulled her panties down from her pussy. It looked so beautiful and spreading her thick pussy flaps pushed my tongue between. Suddenly her modesty returned and overwhelmed with embarrassment she got up and rushed to the bathroom to clean herself up. Minutes later she left the flat, unable to look me in the face. It was the same at work, and although I didn't mention it to anyone she never spoke to me again. A month later she left the company altogether and moved to the West Country with no forwarding address. I still get into a frenzy of sexual excitement whenever I think of her pretty face and her juicy little cunt.
Jack, Morden.

THE UNI BONKER

My name's Helen and I'm a 35 year old lecturer in a large university. Without wanting to sound big-headed, I know I'm still pretty attractive but, even though some of the young guys I teach flirt outrageously with me, until last year I could never quite bring myself to believe they were serious. In fact I couldn't see what young blokes saw in older women, it was something I really did think was a myth.

Recently divorced and still smarting, I was dreading the long summer break, in particular the long nights so, when one of my most persistent pursuers was still in the lecture hall after everyone else had gone, I felt a bit of a thrill. Nick had made it obvious from the first lecture that he fancied me but, although I'd flirted back, I'd kept my distance.

This day, however, feeling him watching me as I cleared away my notes and fiddled with my briefcase made my pussy swell and tingle, and the gusset of my panties rubbed unbearably on the sensitised flesh of my cunt. And, despite my nervousness, an insistent throb started deep in my womb.

Out of the corner of my eye I saw him coming towards me and I couldn't help wondering what his cock would feel like inside me. Nick wasn't particularly good-looking but he was well built and I had the feeling his cock would be thick and hard. He asked for help with an essay he was writing, but before I knew it, we were kissing. I felt so horny with this 21-year-old's tongue thrusting down my throat that my knees went weak and my legs automatically parted when he

slid a hand down and cupped my mound through my skirt.

Pretty soon his fingers were snaking up between my thighs and inching towards my hungry twat. He tugged the gusset of my knickers to one side and used the pad of one finger to slide back and forth over my slippery gash before dipping it into my slot and shoving it up. Then, with his finger thoroughly oiled in my juices, he began fingering the puckered gap of my arsehole. His finger slipped up into my anus and I shuddered with pleasure. Keeping his finger jammed in my rectum, he dropped to his knees and, with his other hand, pushed my skirt up and yanked my knickers down around my knees.

The thought of me standing there, knickers wrapped obscenely around my legs with a young guy's head between my thighs made me quiver with excitement and I dragged my fingers through his mousy blonde hair just as his pointy tongue lapped at my clit. Unable to help myself, I pushed his head further onto my twat, forcing his nose against my swollen bud as he munched hungrily on my pussy. I was so far gone with desire that I didn't even care that we could have been caught.

Having my fanny licked and sucked was fantastic, especially as it had been a while, but I was desperate to feel his cock inside me. "Fuck me," I told him, gasping. "Fuck me hard and deep!"

Nick didn't need telling twice. Within seconds I was bent, face down, over the desk with his fat meat stuffed up my cunt. I think he must have been a bit nervous too because his strokes were slow and tentative, and I needed fast and furious. "Harder," I insisted, "please, fuck me as hard as you can."

“She was moaning wildly as I dipped my tongue deep inside her...”

Even before I'd finished speaking he started ramming his dick up my hole. His thrusts got so violent that I thought the desk would collapse from the force of my body heaving backwards and forwards across it. His balls slapped noisily against my cunt lips and I could hear him panting heavily behind me. I slipped my hand down and toyed with my clit, rubbing it in time to Nick's rapid thrusts. Lust was building in my belly, I could feel my fanny cream oozing out of my slot, my tits were rubbing on the wooden surface of the desk with each violent poke of his stiff rod and cunt was telling me that I was on the verge of coming.

Not surprisingly, however, Nick came first. I felt him stiffen and ram up me one last time, his dick twitched and he pulled out, spurting thick wads of spunk over the exposed cheeks of my bum as I shamelessly brought myself off in front of him.

Thinking of the long drought ahead, I decided to make the most of Nick's company. His cock was still twitching when I took it into my mouth and licked the blended mixture of my cunt cream and his spunk from it. To my delight it began growing and, as it stiffened, I lapped my tongue around the smooth head then pressed it up against the roof of my mouth. Nick moaned. Grasping a handful of my hair, he grabbed the back of my head and forced his dick down my throat, literally fucking my mouth with long, plunging strokes. I reached under him, cupping his hairy balls and slid my middle finger up into the crack of his arse. He jerked a bit when I touched the taut ring of his anus and, just as I slipped the tip of my finger past the tight ridges, he started to come again.

Desperate to taste his spunk I didn't let him pull out, silently insisting that he emptied his load down my throat. Stream after stream of hot, thick spunk spurted over my tongue, filling my mouth and gushing down my throat. There was so much of the stuff that I had difficulty swallowing it all but I was rather proud of myself when I didn't waste a drop.

I never saw Nick again after that day, but thanks to him my confidence grew so much that I no longer turn offers down from my students.

Helen, Lancaster.

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BOARDING ARSE

I love sex, the dirtier, the better, but I've always stopped at anal. All my boyfriends begged for me to allow them inside my back passage so much so that it became something of an obsession for them. This was definitely the case with my current boyfriend Pete. The problem is that I have a rule: I only date men with cocks eight inches or bigger. I love the feel of a big hard cock thrusting me silly, drilling me to the bed and making me squirt my cum. With this in mind, I've always been worried that anal sex would hurt too much.

I travel a lot due to the fact that I am an air stewardess, so I don't begrudge the fact that Pete has always got a copy of your magazine in our bedside drawer. It keeps him company whilst I'm away, and gives him something visual to look at whilst I talk dirty to him from abroad. To tell you the truth, I've also become a fan of your mag, and have started to carry a copy of it with me every time I fly. I've never had a lesbian experience (there's still time) but seeing the glistening beauties naked with their legs wide open, gets my pussy all hot and sticky. I often get lost in a fantasy world thinking of all things which I would do to the likes of Sandy and Stella, so much so that I can't help flicking my clit and rubbing my mound with the palm of my hand.

From reading your mag, it came as a shock to learn that so many of the girls practice anal sex, indeed advocate it! One girl said, "any girl who hasn't tried anal sex hasn't lived" well what choice did I have? Next time I was back in England, Pete was gonna be in for a treat!

As soon as I got home, I held Pete's face as I kissed him deep and passionately, my tongue lapping at his. He smelt my scent, and almost immediately, the bulge in his pants struck the inside of my thigh. I dropped to my knees,

tore off his pants and took his whole eight inches down my throat. I could feel his balls slapping against my chin as I licked and sucked the pre-cum from his shaft

"I want you to fuck me deep and hard... in my arse!" The look on his face was fantastic. "But I thought you didn't like anal sex?" he retorted. "Are you going to service me or not?" I moaned as I worked a dildo inside my pussy.

"Pete slapped his helmet against my cheeks, which got me even more excited..."

"Ok!" he screamed in pure delight. "First I want you to rim me," I said. He obliged, licking me deep and plunging his tongue into my ring, whilst his fingers dived into my sopping cunt. He worked my juices and his spit around my sphincter before slipping two fingers in all the way to the knuckle.

"I want your cock in my arse now!" I demanded after a while. Pete slapped his helmet against my cheeks, which got me even more excited before he slid his member deep in my arsehole. I was impaled on his huge prick, and I loved every minute of it. I couldn't control myself, and within seconds my whole body was in convulsions as my sphincter tightened. This brought Pete off

immediately, his massive deposit of spunk overflowing my arse.

Both our orgasms were so intense that we've been hooked ever since. I'm a true anal convert, and I owe it all to Club. Sami, Coventry.

QUID PRO HO

A long-standing fantasy of mine has been anal sex with my gorgeous wife Jenny. Jenny has a wonderful body - her long legs leading to a lovely firm peachy arse. She is brunette with stunning 36D tits and large responsive nipples, which Jenny loves me to suck and nibble on. We have been married five years and have a varied and exotic sex life, but until recently Jenny was adamant that whilst she enjoyed a finger up her arse, particularly when I am fucking her doggy style, there was no way my cock was going up there.

In the pub over a few drinks recently, the conversation turned to sex and we started teasing each other by describing our favourite fantasies. This led to what we were going to do to each other when we got home from the pub. After a wonderful night of sex, Jenny turned to me and said, "quid pro quo." She would take it up the arse as discussed in the pub if I agreed to do something for her.

Jenny's boss at work, Keith, is renowned for having a massive cock. It was allegedly ten inches long and thick with it - and for months and months, Jenny and Keith had been flirting. This left Jenny in no doubt that Keith really fancied her and if she wanted a discreet affair, Keith was more than game. Jenny now confessed that her main fantasy

“

I used two of my fingers, covered in Keith's spunk, to open up my wife's arse.”

was to be shagged by a bloke with a massive cock and would she be allowed to fulfil this fantasy? I agreed provided I could watch, as the thought of watching my wife getting fucked by a stud was turning me on too.

Jenny told me more details about Keith and how he always engineered the conversation towards sex. He had a thing about alfresco sex and loved Jenny telling him about our summer sex life in our large garden.

We agreed that Jenny would start to flirt more openly with Keith, and on the next sunny day, she would lure him home for lunch with the promise of an outdoor shag.

When the next hot sunny day arrived, I phoned in sick and watched Jenny select her favourite black thong over which she put on a short tight denim skirt, barely covering her skimpy thong but accentuating her lovely long tanned legs. A tight blouse showed off her large firm breasts; her nipples already rock hard in anticipation. "If all goes to plan I'll ring you on the mobile as we are leaving the

office," she said, leaving for work with a huge grin across her face.

At 12.15 pm I had a call from Jenny on her mobile, she was almost breathless with excitement. "Keith is in his car following me; we'll be home in 10 minutes. I told him, 'I know you want to fuck me, the sunshine always makes me horny, so please come home with me at lunchtime, and I will let you fuck me in my garden'." Jenny giggled as she told me how he nearly choked on his coffee. I quickly hid my car in the garage and rushed upstairs, already getting hard at the thought of what I was about to see.

Within minutes Keith and Jenny arrived at the house and were soon on the sun-kissed patio out the back. Jenny then

sat Keith down in a relaxer chair with his back to me before slowly undoing her blouse and peeling off her bra to reveal her gorgeous tits. Leaning forwards, she allowed Keith to kiss and lick her hard dark nipples whilst stepping out of her skirt. Jenny then pulled away and bent over to allow Keith to peel her thong off. Even from upstairs, I could see her pussy lips glisten in the sunlight, she was so wet with desire. Still, in control, Jenny got Keith to stand so she could strip him and soon his enormous cock was freed from his boxer shorts. Making sure I was still able to get a good view, Jenny squeezed his balls with one hand whilst gently teasing his length appreciatively with the other. Jenny then knelt before him and began sucking his huge length greedily, her hands working his long shaft whilst squeezing his balls.

Soon Jenny could wait no longer and pulled Keith by his cock onto the grass. Getting on all fours with her gorgeous arse pointing towards the house, but slightly angled so I could watch, Jenny guided his huge cock into her gaping juicy cunt. Jenny moaned loudly in delight as Keith fed his great length inch by inch deep inside her. No sooner had he buried his cock up to the hilt in her than her first orgasm ripped

through her. For the next few minutes as Keith built up an impressive rhythm pounding into her with long, deliberate strokes, Jenny was in a constant orgasmic state. Holding her hips firmly, he increased the speed ploughing into her so fast and furiously, it was almost a blur to watch. Soon Keith could hold back no more, and with a loud grunt, he emptied his large hairy sack deep inside, sending Jenny bucking and writhing in delight as yet another orgasm washed over her. As my wife lay on the grass in ecstasy, Keith quickly got dressed, said his thanks and goodbyes and seconds later I heard his car reverse out of our driveway.

Hearing Keith disappear, I emerged from the house with a huge erection, pre-come oozing out in appreciation of the amazing sight I had just seen. "Fuck my arse now," Jenny commanded. She remained on all fours with Keith's come oozing out of her gaping cunt. In one movement, I thrust my cock deep inside her flooded cunt while I used two of my fingers, covered in Keith's spunk, to open up my wife's gorgeous tight arse. Jenny groaned with delight as I rode her hard, still with two fingers deep inside her incredibly tight bum. Pulling my cock, which was dripping in Keith's come out of Jenny's twat, I began feeding it inch by inch inside her lovely tight arse. The sensation was unbelievable, and within a minute of burying

"I could feel his balls slapping against my chin as I licked and sucked..."

my cock deep inside, I could hold back no longer and pumped what seemed like gallons of warm man fat deep inside her arse. My orgasm lasted for ages as wave after wave of come jetted deep inside Jenny's arse for the very first time.

Jenny loved having her arse fucked too, and it has become a regular part of our sex life, both indoors and out. Keith is desperate to fuck Jenny again, and this time wants his huge cock up her tight arse in our garden. Jenny is planning to see if he is game for a threesome with a cock inside each hole simultaneously – as this is now her latest unfulfilled fantasy.

Hot girls and booze, the perfect combination, and why? It's quite simple, our confidence goes up and we become sex Gods! "Is that what you think?" Katie replies with a confused frown. "There's nothing worse than a guy who thinks he's

'all that' dribbling all over you with a floppy cock that he can't even get up. I like my cocks nice and hard thank you very much, and deep inside me! "Ah, we'll take that on board Katie and the next time we think that tenth pint is a good idea we'll remember your wise words.
